Partnership Type Descriptions

There are a variety of ways an agency might partner with the Junior Service League of Rome. Please review the list below and complete all areas for which your agency is requesting assistance from the JSL. All agencies receiving JSL volunteers will be asked to submit a year-end report with 1) documentation of progress on program outcomes and community impact, 2) a summary of activities participated in by JSL members, and 3) demographic data about people served.

Volunteers- (complete Section 2)

The JSL provides volunteers to agency programs that reflect our mission, vision, and values and offer volunteer opportunities that have a measurable impact on your agency and the population(s) you serve. Each volunteer completes approximately 12 hours of service annually with the placement agency.

Project Opportunities (complete Section 3)

JSL volunteers can assist with special short-term projects for your agency. Sampler and “Done-in-a-day” projects can be just about anything your agency needs – from painting and cleaning to building a place for the children you serve to live. Our new and transfer members are required to perform a certain number of hours in a community project. Please let us know if your agency has a one-time project that can be completed in 3 or 6 hour shifts. Community projects are a great opportunity for our volunteers to learn more about your agency and for your organization to explore various volunteer opportunities with JSL.

Good Samaritan (Item Drive) Request (complete Section 4)

The JSL holds membership drives two or three times a year to collect items from our members to be distributed to local agencies and fulfill immediate need. Drives include collection of items such as children’s books, clothing items, food, diapers, toiletries, etc. Please let us know if your agency would like to be one of our drive recipients. Let us know your donation needs, and we will try to help meet them.

Volunteer Placements

Before determining if you would like to request volunteer placements, please consider the following:

Since we look for opportunities to make the greatest impact on our community in the time our volunteers spend with our agency partners, we do not approve requests that require JSL volunteers to:

Serve in clerical positions only or functions typically filled by a paid member of your staff, participate in fundraising projects, or join an auxiliary, guild or support group.

During our member placement selection process in Spring 2020, JSL volunteers must sign up to work with your agency in numbers sufficient to meet your minimum volunteer number. If the minimum volunteer number is not met, or if the volunteer hours needed exceeds what our volunteers are able to provide, then the placement may not be able to go forward. Agencies that offer evening, weekend, early morning and/or summer volunteer opportunities are especially attractive to our volunteers who work during regular business hours.

Section 2- Volunteer Placement Request

24. Agency Name *

Please re-type your agency name below.

25. Number of volunteers requested: June 2020-May 2021 *

Please enter the minimum to maximum requested (ex. 5-10). *When determining the maximum please keep in mind that all volunteers must be able to complete approximately 12 hours of meaningful volunteer work annually (including any necessary training).

26. Briefly describe the projects/jobs for which you are requesting JSL volunteers. *

When answering this question, please consider the following: What will they be doing? How will they schedule their volunteer work? What kind of schedule will it be? Will it be flexible and can the work anytime (during the day, after work, on the weekends)? Or is there a set schedule (for example, every Wednesday, or during certain weekends in the year)? Help us understand exactly what the JSL volunteer will be signing up to do with your agency. Please keep in mind that each volunteer commits approximately 12 hours annually to her placement.

27. What training will you offer JSL volunteers? *

Please be specific as to who will conduct the training, where and when it will be and what tools or training materials will be used.

28. Where will JSL volunteers do their work? What types of security do the volunteer sites offer (i.e. adequate lighting after dark, escort, etc.)? *

29. Who will supervise the JSL volunteers? *

30. How will you evaluate the impact of JSL volunteers on your program? *

Please be specific as to what tools you will use and what measurable outcomes you are looking for.

31. What, if any, out-of-pocket expenses will be incurred by JSL volunteers (i.e. uniforms, parking, supplies, etc.)?

32. Is there a cost for the training of JSL volunteers? If so, what is the cost per volunteer? *

Please be specific.

33. What percentage of your total volunteer force would JSL volunteers comprise if your maximum volunteer request were granted? *

Community Project Request.

Before applying for this project type, please consider the following:

Community Projects give JSL volunteers an opportunity to volunteer with an agency on a one-time basis. A suitable project would allow groups of volunteers to work together in groups of five (5) or more for a three (3) to six (6) hour shift on a one-time basis between June 2020 and May 2021. These are "episodic" or "done-in-a-day" type projects. Examples include staffing an event, building/renovating a home or activity room or assistance in preparing resources for clients. JSL has a very limited budget for these projects (\$250), however, small items, such as cleaning supplies, might be supplied by the league. While some JSL members are able to provide weekday assistance, weeknights and weekends are especially attractive.
